over a year 180. Deposits show a decrease since the last call of \$8,145,000, but a gain of \$6,290,000 over a year ago.

All the banks in the Eastern States show decreases in cash since the last call of \$6,824,000, and since a year ago of \$14,-127,000 also a decrease in deposits since

712,000; postal savings deposits, \$27,628,000. Exports Are Improving.

Detailed figures on exports for the month of September compiled by the Department of Commerce, indicated that the flow of goods and produce from the United States abroad is rapidly improv-

The statement shows that the exports The Comptroller of the Currency yesterday made public a statement showing the condition of the national banks in the
United States at the close of business on
Saturday, September 12.

The statement shows that the exports of breadstuffs last September amounted to \$103,000, as compared with \$11,533,000 in the same month of 1933. The exports of cotton seed oil amounted to \$102,000 as compared with only \$137,000 a year ago. Meat and dairy products exported agreement as much in Santan.

> with \$45,000 bushels a year ago; 25,765,00 bushels of wheat, as against 11,956,00 bushels a year ago. There was a remarkable increase in the amount of fresh beef exported, the figures being 4,94,000 in September, 1914, compared with 623,000 a year ago. Also, the amount of bacon exported was 17,322,000 pounds. compased with 16,323,000 pounds a year

ago.
The effect of the war is shown also in Liver Buttons The effect of the war is shown also in the increased exports of gasoline and naphths, the figures being 23,101,000 gallons compared with 20,211,000 gallons, and 58,252,000 gallons, compared with 36,528,000 gullons.

MASONIC CLUB ORGANIZED.

Committee Is Appointed to Look for Suitable Quarters.

lithough the charter list for membe ship will be held open until November 15, the new Masonic Club was permanently organized at a meeting in the Hotel Hudon last night.

These officers were elected: William F.
Gude, president: Van H. Manning and
L. H. Trautman, vice presidents: Thomas
Grant secretary, and John Wilson,

A committee was appointed to investi-gate the neighborhood of the Masonic Temple for a suitable place for permis-nent quarters.

\$14,838,000; with a gain over a year ago of 1532,400,000. The country banks in the Eastern States show gains in cash of \$1.576,000 over the last call, and \$2,200,000. FRANCE; WAR PHOTOGRAPHER PAS FRANCE: WAR PHOTOGRAPHER PASSES LINES

ciation in the war zone.)

FOR NATIONAL DEFENSE

The Monroe Doctrine Is Only as It Asserts in Statement.

WARNS AGAINST YELLOW PERIL

The executive committee of the United States Navy League, in a public statement issued last night, draws attention to the fact, as pointed out by Representative Gardner in the House during the last two days, that battleships, submarines, guns, and soldiers and seamen cannot be improvised for national defense at the

The statement. "It requires several were enough for the present and that no months to make a 14-inch gun and from would return to his home in Pittaburgh, three to five years to make an efficient part to build a submarine and many years to build a submarine and many years to Fourteen months ago he was M. A. Fourteen months ago he was M. A.

Will encourage the Assatte to migrate. Hundreds of Hindus recently made a desperate effort to land in British Columbia. The Japanese and Chinese are steadily migrating to South America, and the Southern republics are considering the restriction of Oriental immigration. "National defense includes not only the Monroe doctrine and the neutrality Panama Canal, but also include

question of race purity.

"The Monroe doctrine is only as strong as the United States navy, and the day is dawning when race purity also will depend on the United States navy."

NAVY LEAGUE DECLARES Walks Off Tuberculosis

10,000-MILE HIKE CURES HIM Just Steps Into Capital

Doc" Eiseman Regains Lost Health and Now He's Going Back to His Old Job time arrive at New Orleans. The Pittsburgh scales had refused to weigh him at more than 114 pounds, but in New Orleans he found scales that would grant him 140 pounds. El Paso, Tex., looked promising to "Doc," and he took steps to

outbreak of a war.

"It requires three years to build a cided that the 10,000 miles completed when be stepped into Washington two days ago but he didn't stop in his bome town, he stepped into Washington two days ago "It requires several were enough for the present and that he

train a submarine crew.

"If war should threaten five, ten, or fifteen years from now, now is the time to prepare for that crisis. Chaos and anarchy still prevail in Mexico, and the United States army is pitifully small for a country of 100,000,000 people.

"Upon the 800,000,000 pellow and brown men of Asia is now dawning an age of steam and electricity and easy communication. Ralineads and steamship lines will encourage the Asiatic to migrate. Hundreds of Hindus recently made a desperate of first place and so on indefinitely. When he got tired he was to lie was to use his feet again.

It happened that when he passed out for risk Pittsburgh again. So he's going to take his old job and turn from padesperate offers! to have a long to take his old job and turn from padesperate offers!
